

Water Covers 70% of the World...So Do We!™  
A holiday greeting for you

As the holiday season surrounds us with joy and togetherness, we want to take a moment to express our heartfelt gratitude for your support throughout the years. I believe creating meaningful vacations are a gift of joy for us, our international yacht partners, and the crews who make it a success. Enjoy this time together as we move into 2025.

Carol and the Crew
